***** IMPORTANT ANNOUNCEMENT TO OUR LIBRARY PATRONS*****

March 13, 2020

The Administration and the Board of Trustees of the Copiague Memorial Public Library have been closely monitoring all developments pertaining to the coronavirus pandemic. It has been determined that effective Monday, March 16 it is necessary to close library facilities until further notice in order to protect the health and well-being of patrons and staff.

We fully appreciate and understand the disappointment and disruption that this action will cause, but find that it is necessary to preserve the safety of our patrons and staff to the greatest extent possible. Please check our website periodically for updates on library operations. We apologize for the inconvenience and look forward to the resumption of library services when warranted.

During the period of suspended library services, no materials are due back and no fines will accrue to your account. The book drops located outside the Library will be closed, so we ask that you hold on to them until the Library re-opens.

Please be aware that you can still download music, movies, e-books, audiobooks and other content using Hoopla, Kanopy, Freegal, Live-brary, Overdrive and other online resources found on our website.

If you have any questions, you can e-mail the library at kmiller@copiaguelibrary.org.
