Library Newsletter and Program Guide July 2020

Message from the Director

We hope that this newsletter finds you and your loved ones well. It has been a very tough journey for our community the last few months, and we hope that we can all return to our normal routines soon.

*The Copiague Library has begun the slow process of re-opening and resuming some library services. All decisions regarding re-opening and the resumption of library services will be made by the Administration and the Board of Trustees based on guidelines and recommendations by county and state officials to ensure the safety of patrons and staff. The best way to keep up with the latest information regarding the library is to go to our website copiaguelibrary.org and click on the **Library Update** link at the top of the page.*

*Kenneth S. Miller
Director*

Here is the latest information regarding the Library and the status of services, programs and plans.

The Library Building

The Library remains closed to the public. Library staff has returned to the building and are available to answer your questions and provide help over the phone. Please call the library at 631-691-1111 during our current hours of Monday-Thursday 10:00 AM - 8:00 PM, Friday 10:00 AM - 6:00 PM and Saturday 9:30 AM - 5:30 PM (as of July 6) and we will try to help you any way we can. You can also leave a voicemail message or email us at information@copiaguelibrary.org and a staff member will get back to you shortly.

Contactless Curbside Service

The Library is providing contactless curbside service for the pick-up and drop-off of library materials. Please call the library and a staff member will pull your requested items for you and set-up an appointment time for you to pick them up and to drop-off items you are returning. Please note that all patrons picking up or dropping off items at the library are required to wear a mask and follow social distancing markers.

Returning Library Materials

The library book drops in the front of the building remain closed. All library materials must be returned during our current hours of operation, Monday-Thursday 10:00 AM - 8:00 PM, Friday 10:00 AM - 6:00 PM and Saturday 9:30 AM - 5:30 PM (as of July 6). Library items should be placed in the plastic bins located at the front and side entrances. Please be aware that all returned library items will be quarantined for 72 hours (per CDC guidelines) in our community room before staff check them back in and re-shelve them. This means that items will remain on your library account for 72 hours after you return them. In light of this safety procedure, we are increasing the limits on the number of items patrons may have checked out at one time and we are continuing to waive fines on items returned late.

Inter-Library Loan

You can return items borrowed from other Long Island libraries at the Copiague Library. The same quarantine procedures will apply. Full delivery service of items between Suffolk County libraries is still being worked out, so please anticipate delays in receiving items from other libraries and having inter-loaned items returned and removed from your account.

Library by Mail

If you do not want to come to the library, we are happy to mail library materials, photocopies, crossword puzzles and other items to library patrons at no charge whenever possible. Please contact the Library.

Budget Vote & Trustee Election

The Board of Trustees and Administration of the Copiague Memorial Public Library have decided that in these unprecedented times, which have imposed significant financial hardship upon so many, the Library will reduce its original proposed 2020 - 2021 budget, and operate with the same tax levy as it did in 2019 - 2020. There will be no increase in Library taxes for the coming year and no budget vote. The Library Trustee election, originally scheduled for April 7, has been rescheduled for September 15, as per state guidelines. We will provide more information on the Trustee election as new guidelines become available.

Library Newsletter and Programs

In order to provide you with the most up-to-date information, the library newsletter will be published monthly for the time being. All Library programs will continue to be held online via Zoom, Facebook Live, YouTube or Discord for the foreseeable future. Check our Facebook page often, as we are always adding new programs, services and activities as we discover new ways to meet the needs of the community.

Book and Media Donations

Because of the need to quarantine items and limited storage space, the Library is not accepting donated materials until further notice.
