1,000 Books Before Kindergarten

LOG SHEET

* LAUNCH your child's future with books. Any child not yet enrolled in Kindergarten can join the 1,000 Books before Kindergarten program and earn prizes along the way.

* You are your child's most important teacher and this program will blast off your child's love of reading and their language skills will soar. Children prepare to read years before they enter kindergarten. From the moment your child is born, they begin to learn words and develop language skills which are important before school.

* You will receive a prize for joining and small prizes after reading 200, 400, 600, 800, and 1,000 books. Every time you complete 200 books you will be able to add a window to your child's nametag spaceship.

* Anytime a book is read to your child, color in a box on your log sheet. Did you know that books read during storytimes count as well?

* Learn more by logging on to 1000booksbeforekindergarten.org/ iPhone and Android apps are available for this program. Visit their website above for more information.

YOUR CHILD'S NAME:

_____

CONGRATULATIONS!

Once you've filled in all the boxes, (200 books) bring this page to the Copiague Memorial Library and redeem your prize!
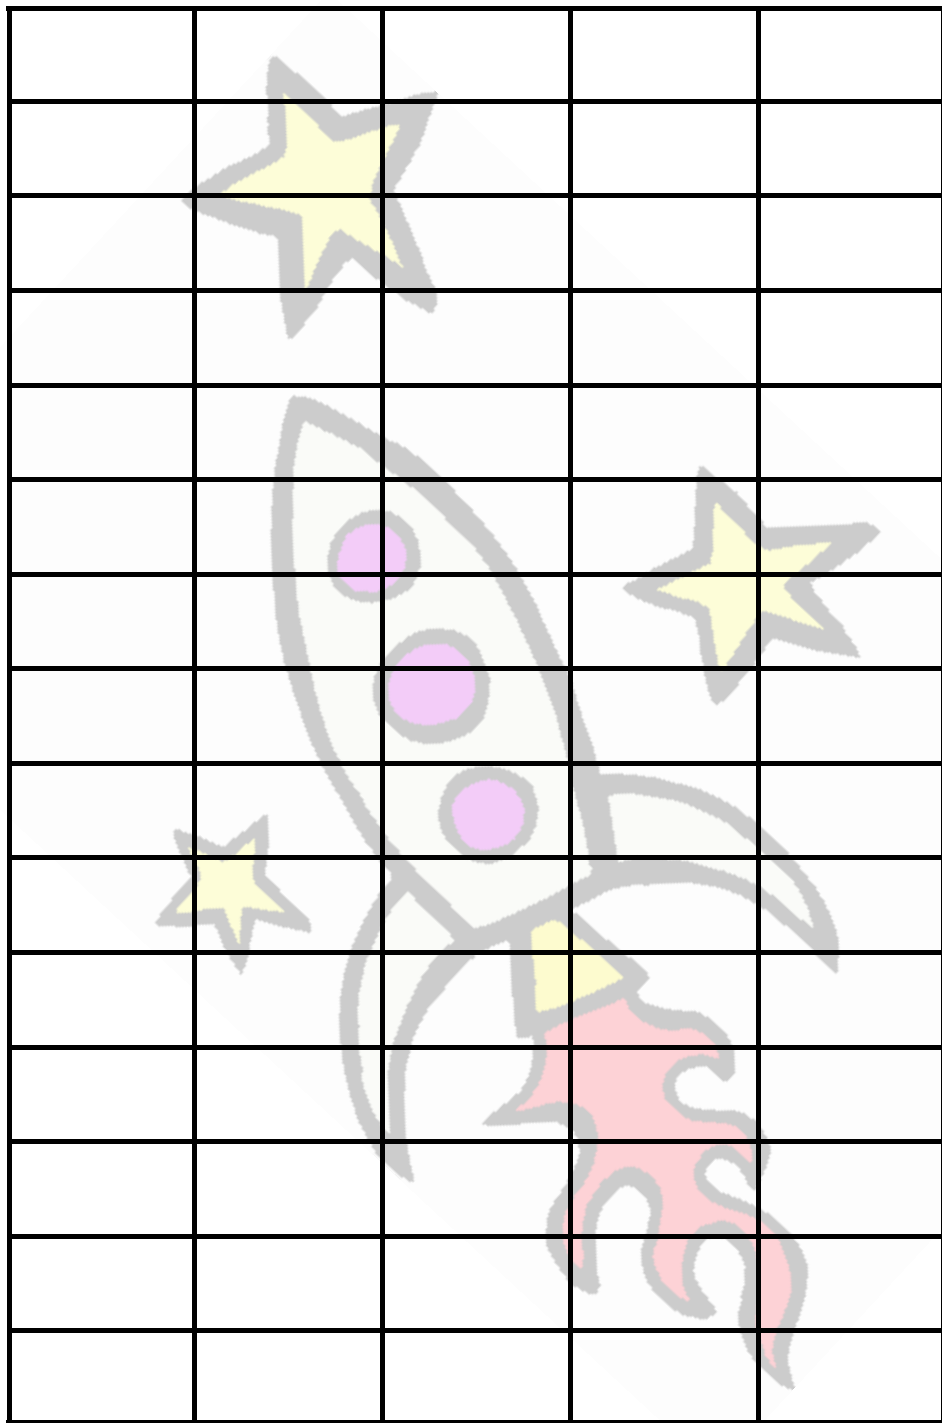

Each box represents a book your child has listened to.

Each time your child has been read to, color in a box.
